

BLACKALL MARKET REPORT

15TH MAY 2025

Blackall combined agents yarded 1700 head with cattle coming from as far north as Richmond, McKinlay and Hughenden all the way through to our local producers for their weekly prime and store sale. A smaller yarding this week with still a few buyers & processors in attendance. There was a mixture of quality in the yarding with the store cattle still hitting a good market but slightly easing on the cows and bullocks compared to last week.
